Do you understand the comprehensive design requirements under NZS3916: 2013 (Design and Construct)?

Do you know what the rules are regarding intellectual property?

These are just some examples of the differences from NZS3910:2013.

This course, from a practical and 'hands-on' point of view, will benefit Clients, Consultants and Contractors wanting to know the differences between this standard and NZS3910: 2013, the General Conditions of Contract.

**This course is designed for people who are already familiar with NZS3910:2013.**

## Topics include

- Overview of the standard NZS3916
- Points of difference from NZS3910:2013

## On completion of this course participants will

- Use course notes as an up to date reference for managing contracts
- Understand the key content of NZS3915:2005, NZS3916:2013 and NZS3917:2013
- Be familiar with the similarities and differences with NZS3910:2013

## Who should attend

Contract and Project Managers, supervisors, engineers'/contractors' representatives, as well as experienced personnel wishing to understand the key differences between NZS3910:2013 and NZS3916

## Participants

Each person must have a computer or laptop with camera and internet access to enable this Zoom training.
