Leading a team can be a challenge - are they following? Leading a high performing team is a delight.

This course gives you step by step instructions on how to get the best performance out of your team. Learn the small changes that can make a big difference to your results.

Managers need to create the environment for a high performing team, ensure the team are aligned, own the work, their capabilities are being developed and that teamwork is a rewarding experience. We'll help you learn how to do this using your own management style and your own strengths.

Topics include

- Your management style
- Creating a high-performance environment
- Leading the team
- Designing work
- Developing the team
- Coaching

On completion of this course participants will

- Enable the team to improve their results
- Reduce their stress by implementing good practices
- Give your team a sense of personal satisfaction and accomplishment

Who should attend

New and Seasoned Managers who want to get more productive time out of each day, for themselves and their team with less stress and more enjoyment.

Pre-course work

Attendees will complete an online assessment of their management style prior to the course

Price includes pre-course Disc on-line profiling. Note: if the participant withdraws or changes after the on line profile tool has been completed, the additional cost of this will be charged
