

Woodblock T-Shirt printing

One day workshop

Domestic Fees

\$118

witt.ac.nz

One day workshop

Suitable for beginners and those wishing to learn the process of wood block printing, this short course will teach students how to design and plan an image, carve a wood block and print onto a t-shirt using a printing press. Some pre-carved blocks will be available for those who want them. Wear your art home! Two shirt will be provided to each participants, but bringing extras from home is highly encouraged.
