Master the Art of Fencing in Just 3 Days with Our Hands-On Short Course!

Are you looking to build or repair fences on your property with confidence and skill?

Our **3-Day Fencing Short Course** is the perfect opportunity for you to learn the essential techniques and gain practical experience in constructing and maintaining strong, durable fences in a rural New Zealand environment. Whether you're a landowner, farmer, or DIY enthusiast, this course will equip you with the knowledge and tools to tackle any fencing project, big or small.

Intake dates:

17, 18 & 19 November 2025	9.00am - 3.30pm	Monday, Tuesday & Wednesday
------------------------------	--------------------	-----------------------------------

What You'll Learn:

- **Fencing Fundamentals:** Understand the key principles of building a solid fence from start to finish. Learn how to plan and prepare for your project, select the right materials, and create a fence that stands the test of time.
- **Building New Fences:** Gain hands-on experience with post-setting, wire straining, and constructing different types of fences (like stock, electric, and boundary fences) commonly found in rural New Zealand. Learn the best practices to ensure your fence is safe, secure, and functional.
- **Repairs and Maintenance:** Discover how to efficiently repair and maintain existing fences. Whether it's fixing broken posts, re-tensioning wire, or replacing worn-out sections, you'll gain the skills needed to keep your fences in top condition for years to come.

Why This Course is Perfect for You:

- **Practical, Real-World Skills:** This course is all about getting you hands-on experience, so you can immediately apply what you learn to your own fencing projects.
- **Expert Instruction:** Learn from seasoned fencing professionals who know the challenges of rural New Zealand environments and can provide you with the tips, tricks, and techniques that make a difference.
- **Cost-Effective Solution:** Whether you're building new fences or making repairs, this course will save you money in the long run by teaching you how to do the work yourself with confidence.

Fencing is a vital part of rural life in New Zealand, and knowing how to build and maintain strong, reliable fences is essential for any property owner. With our **3-Day Fencing Short Course**, you'll walk away with the skills to tackle your own fencing projects safely and efficiently.

Spaces are limited, so don't wait! Sign up today and take the first step towards becoming a skilled, self-sufficient fencer!
